MESSAGE FROM THE PRINCIPAL

Mrs. Terri White, M.Ed.
Elementary Principal

It is a pleasure to welcome you to Lexington Christian Academy! As a school, we value the partnership we have with our families and are committed to our mission “to equip and nurture students to fulfill God’s calling on their lives through Christ-centered education.” Our elementary school is designed to prepare students for lifelong learning by building a strong academic base while fostering spiritual and social growth in a loving environment.

A carefully aligned academic curriculum, developmentally appropriate enrichment activities, and talented teachers create an environment where children thrive in spirit as they grow in knowledge. Through learning centers, hands-on manipulatives, gardens, libraries, science labs, gymnasiums, and technology labs our experienced teachers cultivate a nurturing and stimulating learning environment.

We are convinced that above all else children should know and understand God’s love at an early age. We teach students to delight in God’s Word and His Truth. Daily, the children will pray and enjoy a Bible lesson. Weekly, our students will attend chapel – one especially geared for elementary-aged children.

In addition to the educational experiences that your child will receive, your family will embark on a journey in building life-long relationships within the LCA family.

We invite you to learn more about our program. Come tour our campus and discover more about a school where students develop a love for learning and a love for Jesus.

STANDARDIZED DRESS CODE

All of our students, preschool through high school have a standardized dress code. By definition, "standardized dress code" is a flexible selection of clothing from which students may choose.

The dress code is designed to promote modesty, create a safe and positive climate, and ensure a distraction-free learning environment.

SPIRITUAL LIFE

An integral part of our elementary school is the spiritual training our students receive through their Bible classes, weekly chapel programs as well as mission & outreach program.

BIBLICAL INTEGRATION

LCA provides an environment of learning centered in a Biblical Worldview, dependent on a high-level quality curriculum, administered by caring, well-equipped, Christian educators.

We intentionally examine all subject areas through the lens of the Bible.

Our educators equip students by addressing the Biblical purpose for studying the topic, connecting and comparing assumptions in their fields of study, and evaluating worldview questions in their content area. Students come to the realization that God is present in all facets of life, and that Scripture is our ultimate source of truth.

WEEKLY CHAPEL

Led by the Spiritual Life Director, chapel is designed to encourage and equip students to grow stronger in their faith as they prepare for college. Chapel is comprised of praise & worship plus a lesson. Opportunities for students to participate in worship, programming, and media support.

OUTREACH

As Christians, we are called to be our Lord's "hands and feet." Our students embrace this calling and serve in a variety of ways both in the Lexington community and beyond. LCA students are involved with the programs such as God's Pantry, Hunger Walk, Salvation Army, and Soles for Jesus.

ACADEMICS

OUR TEACHERS

LCA is blessed to have experienced, qualified teachers who provide exceptional instruction. Teachers are at the heart of our program. They lovingly equip and nurture our students, preparing them for 6th grade and beyond.

Our teachers are the experts in early elementary education. They inspire our students to become lifelong learners. In addition to their educational backgrounds and degrees, our teachers receive on-going training annually.

Most importantly, our teachers feel God's calling on their lives to teach and serve in our educational ministry.

When teachers, who love Jesus, seek to model Him as the Master Teacher, students begin to understand God is the ultimate Truth, and His truths begin to permeate their hearts and minds. Our teachers help shape what their students think, believe, and learn to love. Ultimately, the influence of a teacher shapes who a child will become.

CURRICULUM

LCA's elementary curriculum is both developmentally appropriate and academically challenging. It is well planned and comprehensive. It effectively teaches social, emotional, cognitive, physical, and spiritual skills.

The school day consists of a balance of large group, small group, and one-on-one instruction. It includes skills mastery, creative expression, social interaction, and problem solving.

Our teachers present lessons through multi-sensory activities, in a fun and appealing environment, which stimulates growth and learning.
