TUITION

Tuition and all applicable fees will be charged according to the tuition and applicable fees (e.g., annual commitment fee, athletic fees, player fees, etc.) adopted by the school for the applicable school year. By signing the online Continuous Enrollment Agreement, the payer commits to payment of all tuition and fees for the applicable school year, regardless of whether or not the student remains enrolled in LCA and agree to abide by the policies relating to the payment of such tuition and applicable fees.

AUTHORIZED PAYERS

If the student participates in high school athletics, according to the Kentucky High School Athletic Association (KHSAA) By-law 11, "tuition and applicable fees may only be paid by immediate family." KHSAA defines immediate family as "the student's father, mother, brother, sister, stepfather, stepmother, stepbrother, stepsister, husband, wife, aunt, uncle, and grandparent." Any other payments made on a high school athlete's account can only be applied on a needs-based analysis through the school's Tuition Assistance Program.

A family may elect to receive tuition assistance from a church or organization independent of LCA; however, in accordance with KHSAA Bylaw 11, the student will not be allowed to compete in high school athletics in the academic year the assistance is received.

TUITION DISCOUNTS

The Board of Directors reserves the right, at its sole and absolute discretion, to revise, supplement, rescind or terminate any tuition discounts at any time as it deems appropriate. Tuition discounts will be applied to the regular, base tuition for students in Preschool – 12th grade. (Only one type of discount may be applied at any given time).

Multi-student Discount

The multi-student tuition discount is eligible for dependent students enrolled at LCA. The multi-student tuition discount of **15%** will be applied to the third child enrolled at the school. A **25%** discount will be applied to the fourth and additional children enrolled at LCA. Full tuition will apply to the two children at the highest grade levels.

Employee Discount

LCA is pleased to provide an employee discount based on the employee's tenure at school and whether the employee is part-time or full-time. For additional information regarding LCA's employee benefits, please contact the Human Resources Department.

TUITION ASSISTANCE

LCA families and employees may apply for tuition assistance (TA) for students in grades TK-12. The TA application process must be completed for each student for each of the school years for which assistance is requested. All applicants are advised that awards will most likely change (increase or decrease) each year. The amount awarded to each applicant each year will be based on an analysis done by an independent third party approved by KHSAA (third party) selected by the school and based on available funds. TA awards only apply to tuition and not to fees of any kind.

WITHDRAWALS

The term of this Agreement shall be in effect for the 2025-2026 academic year and shall renew automatically for each successive academic year until Student's graduation from LCA, unless and until this Agreement is terminated by LCA or written request of termination from Parent is received by the Admission Office.

Withdrawing a student is a significant decision, and one that LCA believes should be made only after concerted efforts to resolve any issues or concerns have been exhausted by both the school and the family. To initiate a request for withdrawal, the Parent must submit a written request of termination of the Continuous Enrollment Agreement to the Director of Admissions.

For additional details regarding the school's tuition policies, please email admissions@lexingtonchristian.org or call (859) 422-5733.
