

**LEXINGTON CHRISTIAN  
ACADEMY**

*Continuous  
Enrollment*

## **TUITION ASSISTANCE**

### **Overview**

At Lexington Christian Academy (LCA,) we encourage every family to explore the possibility of the LCA experience regardless of financial circumstances. We understand that the cost of attending a private Christian school requires making a significant investment in a child's education and future. Recognizing that every situation is unique, we are committed to working with each family to find ways to make a LCA education a reality.

LCA offers tuition assistance (TA) to families based on a demonstrated need for aid. Demonstrated need is the difference between the school's tuition and the amount a family can reasonably afford to pay toward tuition. LCA uses the analysis of FACTS Grant & Aid Assessment to analyze families' financial needs. Once the analysis is complete, LCA receives a confidential report outlining the financial situation based on the information obtained in the family's application and supporting tax documents.

### **TA Calendar**

- January 1 - TA application is available online
- March 1 - Priority Deadline
- April 15 - Final Deadline (After April 15 deadline, the committee will review additional applications on a case-by-case basis pending the availability of TA funds.)
- March-May - TA committee review
- April-June - Communication of TA awards

### **Who can apply for TA?**

LCA's TA program serves current and prospective families whose children will be attending the school's Transitional Kindergarten – 12th grade programs. Preschool students are not eligible to receive TA.

### **Who is the third-party organization who determines if a family qualifies for TA?**

LCA utilizes the services of FACTS Grant and Aid Assessment, a company that provides confidential needs-based analysis and assessments of TA applications. The TA Committee makes final decisions based on the recommendations provided to them by FACTS Grant and Aid Assessment.

### **How can families apply?**

Families can access the online application by visiting the FACTS Grant & Aid Assessment site or logging into LCA's FACTS FAMILY (via the school's website.)
