

Want to **Lower Your Tuition Costs** and Support Some of Your Favorite Retailers at the **SAME TIME?**

CHECK OUT E-TIP!

The E-TIP Program is a tuition credit initiative designed to lower the cost of attending LCA.

HOW IT WORKS

With E-TIP, your family simply does your regular shopping using gift certificates from America's leading retailers (e.g., Meijer, Target, Speedway, OfficeMax, Walmart) as well as some of our local vendors. With each purchase, your family earns discounts that can be converted to tuition credit for your children.

Through the E-TIP program, everyone wins!

Retailers get repeat business from loyal customers.

Families receive tuition credit to help cover school charges, and the school helps make the cost of Christian education more affordable.

Through the E-TIP program, gift certificates from hundreds of trusted national and local retailers may be purchased, and they are offered at the deepest discounts available.

To enroll, visit shopwithscrip.com or visit the Parent Resources webpage at www.lexingtonchristian.org for more detailed information.
