GRADE POINT AVERAGE AND CLASS RANK

Courses taken at previous or concurrent schools are included in the LCA cumulative GPAs. Courses from a credit-awarding school that used a +/- system with GPA mid-points (e.g. A- = 3.7) are entered verbatim. The WCGPA from the most recent previous institution is noted separately on the LCA transcript.

Grades earned through online instruction for courses taken for credit recovery may be reported as Pass/Fail on the transcript. Outside courses taken for course advancement are recorded as letter grades, using the LCA grade scale.

Lexington Christian Academy does not report student rank.
