

STANDARDIZED DRESS CODE

By definition, "Standardized Dress Code" is a flexible selection of clothing from which students may choose. Standardized dress code is not a uniform where every student is dressed in identical outfits. It is designed to promote modesty, create a safe and positive climate, and ensure a distraction-free learning environment. Dress code items may be purchased from the vendor of your choice. Fads, trends, innovative fashions, extreme hairstyles or hair colors, jewelry, and/or clothing, which the principal or assistant principal deems to be potentially disruptive or inappropriate, will not be allowed.

For elementary students (TK-5th grade,) brand labels, personal monograms, or team logos are not permitted on the outside of any uniform item.
