

## FROM MR. HIGHBAUGH & MS. LAVENDER

It's been so great getting to see your students this week as they returned from Thanksgiving Break. We are excited to be learning and celebrating the Christmas season over the next few weeks. There will be a lot of really fun and exciting opportunities for our students to engage in celebrating Christmas that you can read about below. How amazing it is to serve a God who came down to walk with us! We love getting to show our students the importance of that act of love, and I am thankful for the impact I see in my own children as they sing, tell stories, and bring home artwork illustrating the story of Jesus' Birth. We are so thankful to be partnering with our families and PTF to enrich the experiences for our students and teachers over the upcoming weeks.

**Preschool, TK and K** - Christmas, music, jingle bells, colored light and precious kiddos. They all mix together in a most enchanting way.

These precious voices singing all about baby Jesus rise up like a sweet perfume and float on the air touching each and every heart that is within listening distance. We have practiced very hard on our Christmas program and hope you'll be able to attend. It will be a Christmas blessing.

**1st-5th** - December is the time for the kids to shine and sing all about the birth of Jesus. The 1st-3rd grade Christmas program is December 13th at 6:30 pm. The 4th and 5th grade Christmas program is December 14th at 6:30 pm. The doors to the auditorium will open at 6:00 pm each evening. We are excited for you to come and witness a wonderful celebration of this Christmas season.
