

OCTOBER 2021

PRAYER

During the early part of October, I will begin praying for each TK student. Each kiddo will have a day that I'll pray for them. I will e-mail you to let you know when your child's day is scheduled, and to see if you have any specific requests for which you would wish for me to intercede on behalf of your son or daughter. I love having the privilege of praying for each boy and girl for whom I'm their Chaplain.

SPANISH SPOT

During September, we finished our focus on the 4 basic colors - the primary colors plus green (**Rojo, Azul, Verde, & Amarillo**). As we move into October, we'll begin to add some additional colors and begin our **COLOR BOOKS**. Also, we have begun occasionally playing a matching game at the end of classes where they are increasing their vocabulary with a variety of "bonus words". For instance - *el coche* = car, *la torta* = cake, *el mano* = hand, & *el ojo* = eye - to name a few. Their retention of these words has been exciting to witness.
