

SUMMER WORK FOR AP® CALCULUS AB

To adequately prepare for AP Calculus, the following summer work is **REQUIRED**:

- Master all 33 topics in Unit 1 of the “Get ready for AP® Calculus” course on Khan Academy.
- An invitation to the course has already been sent to your school email. The following link will also allow you to join the course:

<https://www.khanacademy.org/join/W575GEG8>
- All of the topics from the “Get ready for AP® Calculus” course will be available to you so that you can access them. While only Unit 1 is required this summer, it is recommended that you work beyond Unit 1 to maximize your chances of success in the fall.

In addition to the required summer work, LCA will be offering a weeklong

Calculus Camp on July 29 - August 2 from 1pm to 3pm in Mr. Groves’ classroom

(120). This camp will be free of charge. During this week, we will review

foundational skills from Pre-Calculus and begin some introductory lessons in

Calculus. To sign up for Calculus Camp, click on the following link:
