

We're excited to offer a new lunch option, Packed, to our TK-5th grade students!

Here are a few things to keep in mind when ordering from packed:

- Packed subscriptions will be handled directly on the Packed website (lunchispacked.com) and will not be available for ordering from the LCA app or the FACTS Family portal.
- Packed lunches are actually subscriptions, so when a family buys a Packed lunch for their student to enjoy on Tuesday, it defaults to repeating each Tuesday. Parents can always change their order or pause/cancel.
- All Packed meals are made from scratch to order. Ordering cutoff is Monday and Tuesday at 8am. Parents can also skip and pause their order up until 8am the day of lunch.
